

U.S. Patent Application Serial No. 10/693,862
Response dated September 7, 2004
Reply to Notice to File Corrected Application Papers dated August 11, 2004

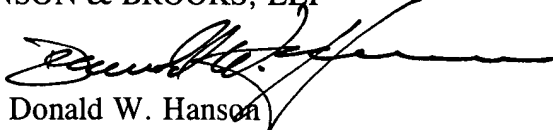

REMARKS

The substitute specification is believed to place the application in proper condition for examination. Early and favorable action is awaited. The only change is in the spacing of lines.

In the event that this paper is not timely filed, applicants respectfully petition for an appropriate extension of time. The fees for such an extension or any other fees which may be due with respect to this paper, may be charged to Deposit Account No. 01-2340

Respectfully submitted,
